Come join our home fleet of Musto Skiffs at Chanonry sailing club <http://www.chanonry.org.uk/> for our annual regatta and Scottish Skiff Championships (**6<sup>th</sup>/7<sup>th</sup> of August**). This event will be a great opportunity for UK nationals warm-up which then kicks-off at Largo Bay SC a few days later on the 10<sup>th</sup> of August. Events could be combined for week long family holiday in Scotland. Chanonry SC (IV10 8TP) is located in the highland village of Fortrose, on the shores of the inner Moray Firth, about 12 miles from Inverness. Not only do we have the largest resident pod of bottlenose dolphins in the UK but we also have the largest Musto Skiff fleet in Scotland. Last year's Musto Skiff travellers event was a great success with 15 boats attending. Judging by interest from the Worlds, we are expecting a bigger turn out for 2016. Hope to see you there!

For accommodation there are local campsites and plenty of B&Bs. Lots for the family to do and see.
